Quad Chart for: Women in IT Networking at SC (WINS)

**Challenge:**
- Scaling - how many women can SCinet support - new and returning (13 total to date)
- How many women can the WINS Management team support, e.g. travel, logistics, report-outs
- Funding: report outs, international participants, alternative funding (non-NSF), workforce grants, SC, scholarships

**Deliverables:**
- Have funded 19 women to participate in SCinet
- Have provided 14 reports outs to diverse communities
- Have successfully partnered with Internet2 Gender Diversity and SC diversity efforts

**Broader Impact:**
- Professional development
- Build professional network
- Raise awareness throughout community
- Create a more diverse pipeline for SCinet volunteers while raising overall visibility of the SC volunteer opportunity
